

RUNNING to PLACES THEATRE COMPANY

Community through Artistry

Running to Places (R2P) is a nonprofit youth community theatre company that brings together middle & high school students from across the area. We're in the business of youth development, helping raise our community's children and making excellent theatre in the process. Thanks to support from our community, participation in R2P is FREE.

By placing an ad in our programs, you will send a strong message to our audiences that you value youth and the arts. Nearly 200 area young people, their families, and over 5,000 patrons from across the region will be part of the upcoming season. Your advertising dollars will be well spent and help keep participation in theatre FREE for the young people involved!
